

1. The content in the first picture is still that of luminus. So, it needs to be deleted.
2. The we can assist you with section also needs to be deleted.

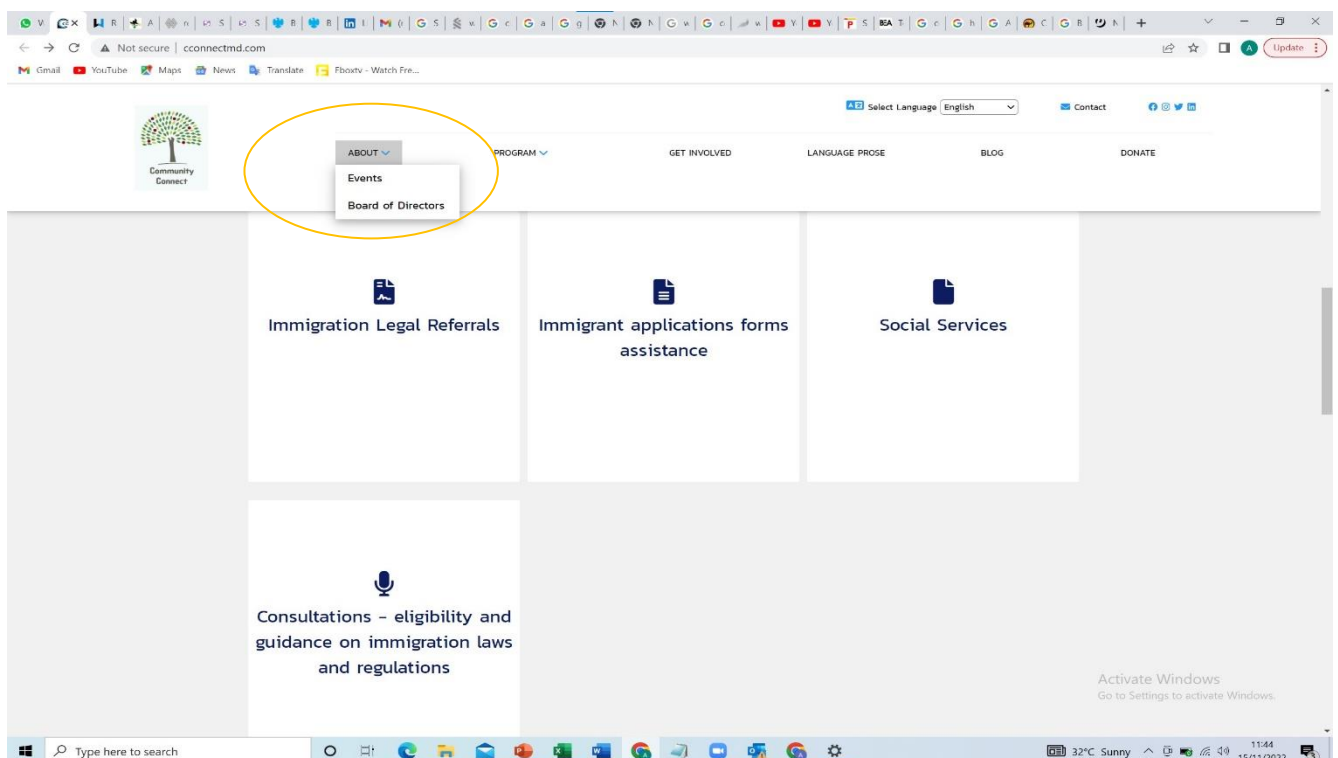

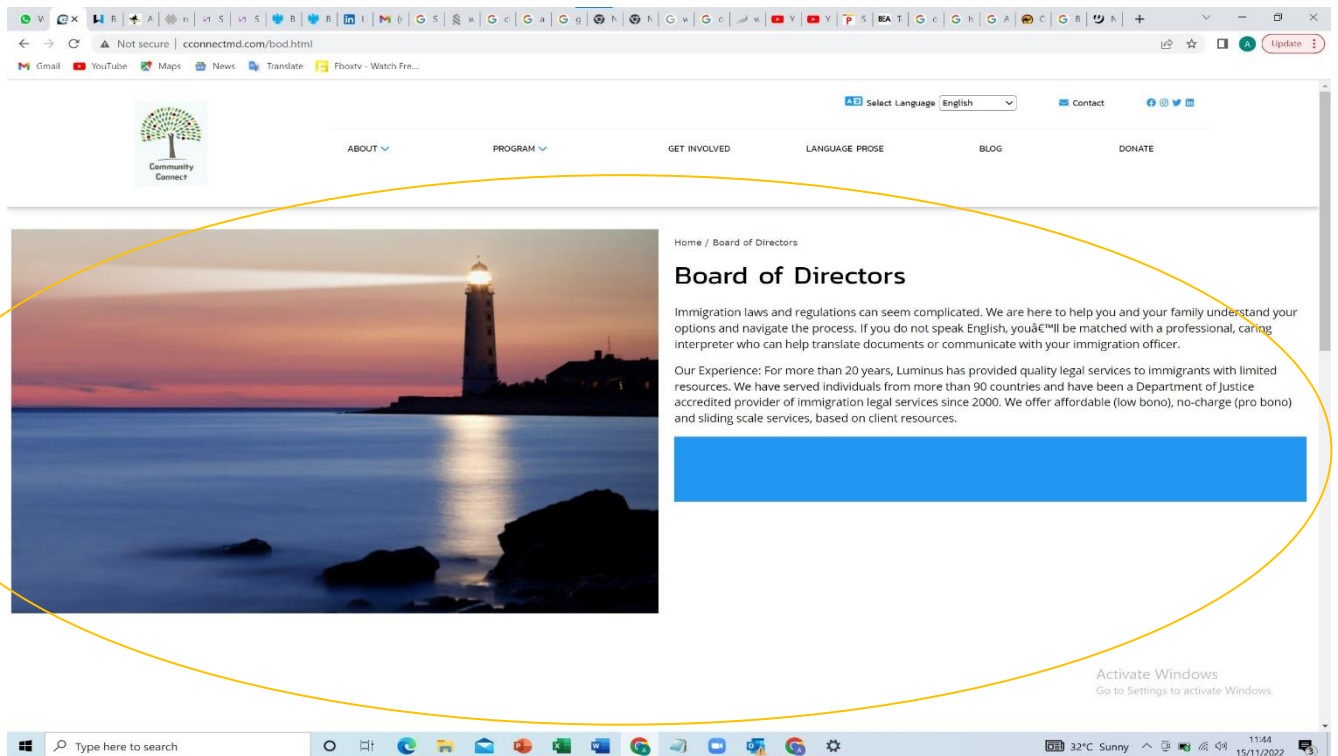

- Both pictures need to be replaced with something else as they don't suit and follow the theme of the website.

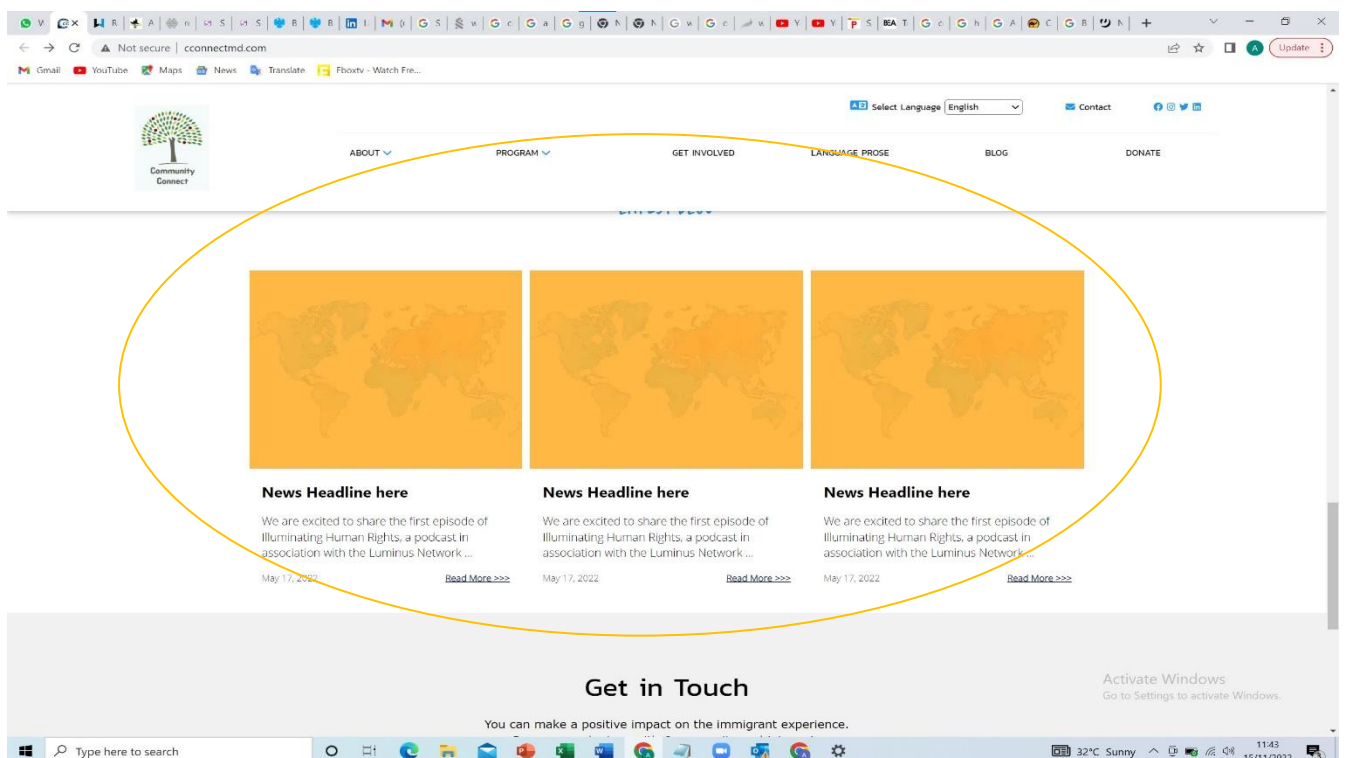

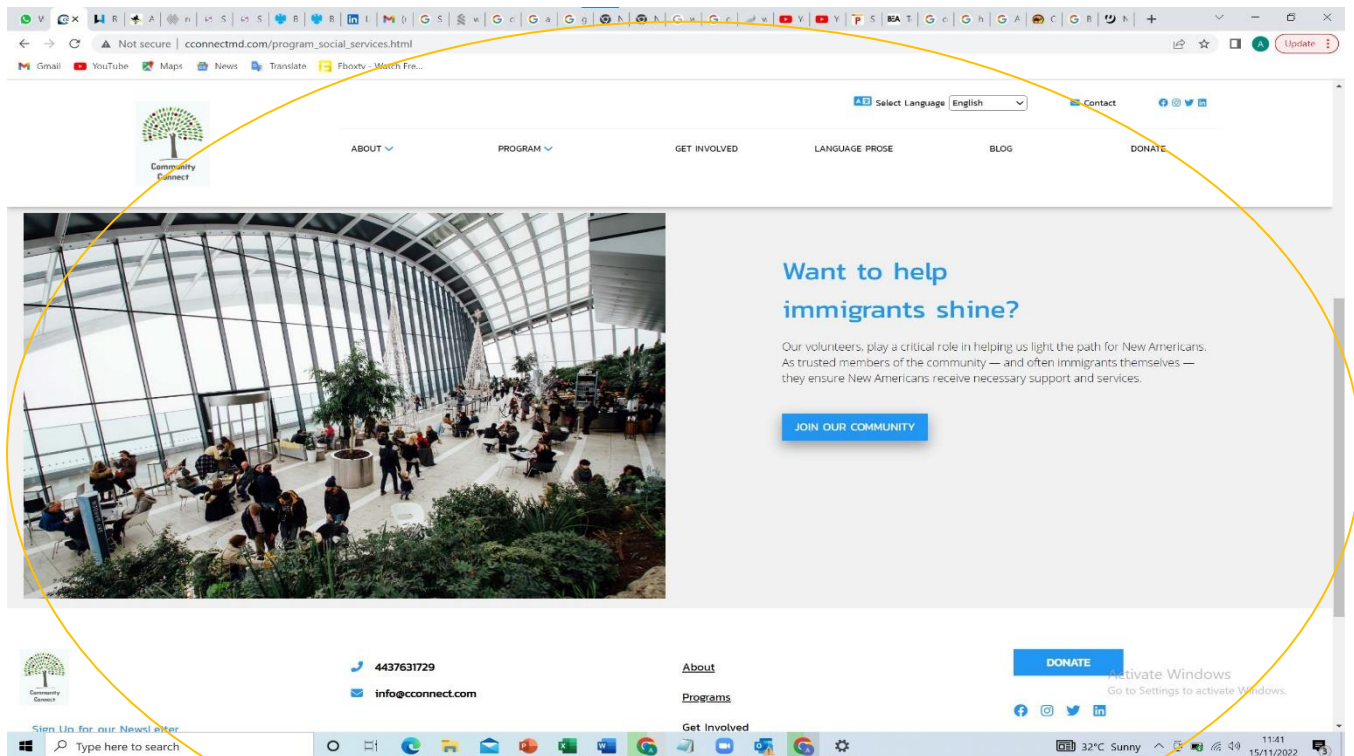

4. The double picture and there is a repetition of pictures. We need to use only one picture but a new one so we don't repeat either of the pictures.
5. We need to change the content, remove any content concerning luminous.

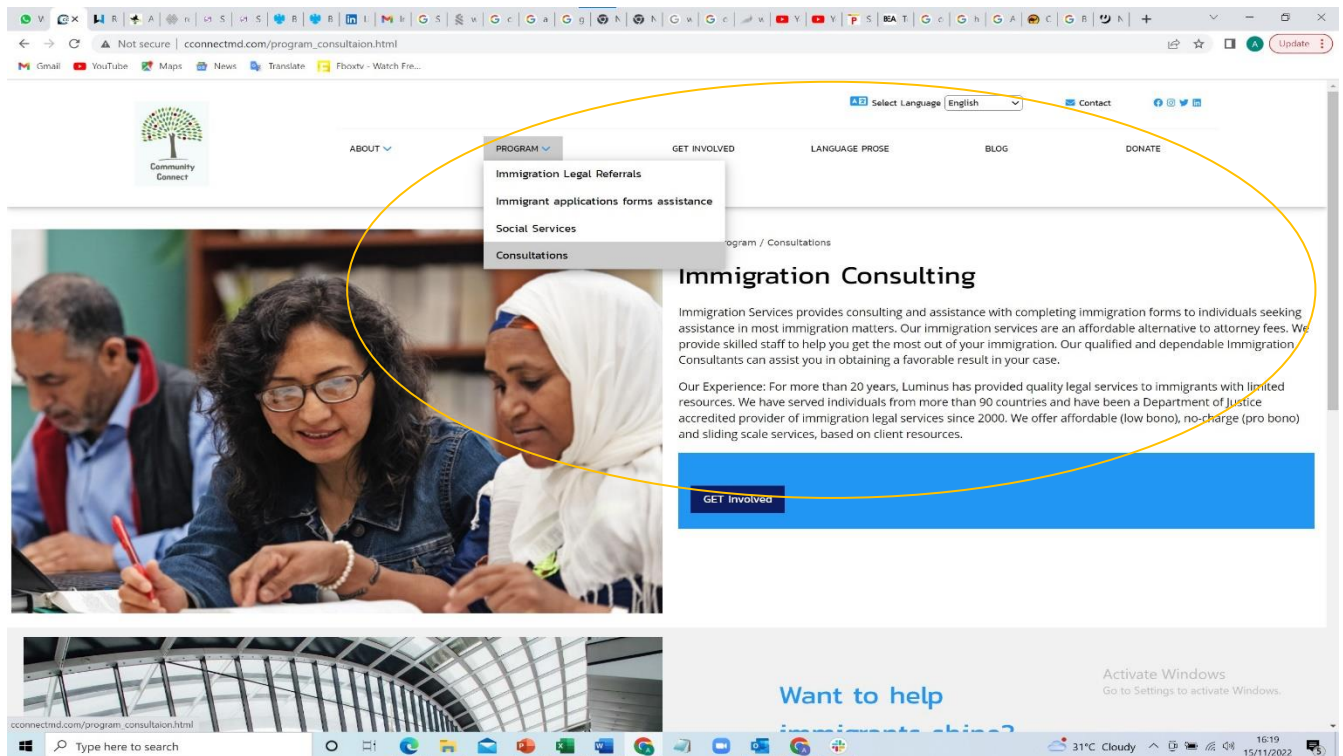

6. The board of directors' title needs to be changed to "About the founder" and the replace the content. Since she has not sent her about, we just leave it blank for now.

7. This tab opens when you click on contact us on the website. Instead of this, it should just take us to the bottom of the page that has the number and email details.
8. Let's take out anything with luminous in it.

9. Consultation: kindly take this out. It still contains luminous
